CAREER OBJECTIVE

As a trained and motivated candidate with expertise in Video Editing and Graphic Design, I seek to work in a challenging professional environment. I aim to apply my practical creative knowledge and design tool skills while continuously improving my abilities through regular practice. Dedicated to contributing high-retention visual storytelling and brand campaigns with accountability and passion.

EDUCATIONAL BACKGROUND

Takmil (Dawra-e-Hadith) / Equivalent to Master's Degree — Completed

Board: Al-Haiatul Ulya Lil-Jami'atil Qawmia Bangladesh

Fazilat (Mishkat) — Completed

Board: Befaqul Madarisil Arabia Bangladesh

PROFESSIONAL TRAINING

Small Business Management Course (SBMC — Batch 41) — As-Sunnah Skill Development Institute

Key Areas: Video Editing (Adobe Premiere Pro & After Effects), Graphic Design (Adobe Photoshop & Illustrator), Meta Marketing (Facebook Ads, SEO & Landing Page Design), and Generative AI Tools for creative workflows.

CORE COMPETENCIES

Video Editing & Post-Production

Skilled in Adobe Premiere Pro & After Effects: fast-paced cuts, sound design, transitions, motion graphics, color grading, and social retention formats (16:9 HD & 9:16 Reels).

Graphic Design & Visual Branding

Proficient in Adobe Photoshop & Illustrator: creative posters, banners, flyers, social media ads, brand identity packages, brochures, and promotional campaigns.

Digital Marketing & Content Strategy

Working knowledge of Meta Ads, keyword research, SEO best practices, high-converting promotional content, and YouTube channel curation.

Generative AI & Modern Productivity

Hands-on workflow integration with Gemini, ChatGPT, and AI tools for rapid creative ideation, visual scripting, asset generation, and English typing (30 WPM).
